

Qualit*i* Policy

We are in the business of developing, manufacturing and marketing safe, effective and quality Active Pharmaceutical Ingredients, Intermediates and Formulations.

We are committed to achieving satisfaction of all stakeholders and shall continue to strive to meet changing expectations; both, stated and implied, through:

- ▶ Patient safety
- ▶ Adherence to CGMP requirements and ALCOA++ principles (Attributable, Legible, Contemporaneous, Original, Accurate, Complete, Consistent, Enduring, Available and Traceable)
- ▶ Adherence to Ipca's 5 core values (Qualit*i*, Safet*i*, Integrit*i*, Dignit*i* and Responsibilit*i*)
- ▶ Achieving parity with global benchmarks in quality
- ▶ Developing human knowledge and skill improvement through focused training and education
- ▶ Propagating a culture of compliance

By implementing this policy, we endorse our commitment to carry out business in the most professional and ethical manner by involving every individual in the organisation.
